MAGIC Christmas tree at historical museum

A giant-size Christmas tree with historic and traditional ornaments and lighting (more than 2,000 ornaments and 600 lights), is again being presented this year at the Mishicot Historical Museum by the Thematic Committee of MAGIC (Mishicot Area Growth and Improvement Committee).

Open dates at the museum will include a preview on Sunday, Dec. 20, from 2 to 10 p.m.; a special open house event on Saturday evening, Dec. 26, from 7 to 10, which will include music and refreshments; and New Year's Eve, Dec. 31, from 4 to 10 p.m.

The museum will also be open most other afternoons and evenings during the holiday season at 2:00 and 7:00. Its location is at the corner of Randolph and Rockway streets in Mishicot, near the Old School.

The tree, a large blue spruce, was donated by Gale Kronforst. Antique ornaments and lights are from the collection of George Schmidt and others. Committee members assisting include Lila Dvorak, Grace Schleis, Marcella Straka, Ruth Zarling, Marie and Kevin Steeber, and Carol and Jack Ronning.
